

Facilitated by State and National Teachers of the Year and Finalists, sessions cost \$3500 for full-day module plus facilitator travel expenses.

Half-day sessions also available.

Now more than ever, effective schools require effective leaders. We need leaders who understand how to inspire innovation, manage organizational change, facilitate collaboration and guide sustainable reform initiatives, so more students have access to a high quality education.

In short, we need effective leaders in every classroom, hallway and staff meeting in order to increase student performance and help prepare the next generation of America's workforce.
