

How to Help the Schools in the Virgin Islands

- A. Many schools in the Virgin Islands are still recovering from the damage of Hurricanes Maria and Irma
- B. We are asking for \$25.00 e-gift cards from www.officedepot.com sent to pamela.francis11@gmail.com
- C. Office Depot is the only school supply store on the island, so it is important that all cards are to this retailer only.
- D. We cannot send items or gift cards via the post office or UPS/Fed Ex, etc. Mailing is an issue and by sending the virtual gift cards to her, we can ensure that the teachers receive the cards directly from her.
- E. We will be able to set up something at the conference as well and Pamela Francis can send later as well.
- F. You do not need to wait until the Day of Service to make this donation.
- G. You can make an e-gift card donation even if you are not attending the conference.

Thank you for your support!
