

## **Resource Guide for Courageous Conversations About Race in Schools**

The following resources are offered to supplement the NNSTOY video series *Courageous Conversations About Race in Schools*. They help individuals and groups go deeper into the topic and provide springboards for further study and discussion.

Our goal is to spark more meaningful discussions about racial equity in schools so that students of color have equitable access to an excellent education.

Megan Allen                      2010 Florida State Teacher of the Year  
Michelle Pearson                2011 Colorado State Teacher of the Year
